Coordination of Rare Diseases
at Sanford

Hello!

Thank you for your participation in the Coordination of Rare Diseases at Sanford (CoRDS) Registry.

You are receiving this email because we would like to:

1. Confirm that you would like to continue participating in the CoRDS Registry
2. Remind you that it is time to update your information in the CoRDS Registry

You may update your information by completing the following steps:

1. Click on the following link to the CoRDS Registry online portal (link)
2. Login with your username and password
3. Click "Update Questionnaire"
4. Update your questionnaire with any new information
5. Complete any new questions that have been added to the module since you last submitted your form(s)

If you do not remember your username and/or password, please follow the link to the CoRDS Registry online portal homepage, click on "Forgot Password" link, and complete the steps required to request your username and/or a temporary password.

If you no longer want to participate in the CoRDS Registry, please send us written notice of your withdrawal to the email address or mailing address below.
